

# School Lunch Information

## What are my child's options for lunch?

Your child may either buy school lunch through the school or bring in their own lunch. School lunch costs \$2.40 and includes an entrée, a bread, 2 vegetable/fruit sides and milk. There are 2 "hot lunch" entrée selections to choose from or they may select a peanut butter and jelly sandwich or yogurt and a pretzel as their entrée. A second entrée can be purchased for \$1.75. (Free and reduced lunch prices are available to those eligible.)

## How do I find out what is being served?

## Can I find out what my child is purchasing for lunch?

Yes, you can request a report from Ms. Sue in the cafeteria or you can track the purchases when you sign up at [www.mylunchmoney.com](http://www.mylunchmoney.com). You can also limit snack purchases by contacting Ms. Sue.

## How do I pay for lunch?

There are 3 ways...

1. Send in a check made payable to Wolftrap Food Services. Include on the check your child's name and teacher...one check per child.
2. Go to [www.mylunchmoney.com](http://www.mylunchmoney.com) and pay online.
3. Cash

The first two are the recommended ways. The money will be put into a debit account for your child's purchases. With the new system this year, the children will be assigned a PIN number which they will enter upon check out.

## Is there a fee involved if I pay online?

Yes, the fee is \$1.95 per transaction, but you can reload several children's accounts in one transaction. There are options available for setting customized low balance notifications and reloading options.

## What happens if my child's account runs out of money?

When you child's account balance is low, they will receive a sticker or a hand stamp which will notify the parent that the account needs to be replenished. If there is no money in the account, your child will receive a peanut butter sandwich and milk.

## What happens at the end of the year?

Account balances will carry over to the following year. If you are leaving the school system, the balance will be returned.
